

(1 Corinthians 13:4-8)

Love Never Fails."

It hopes all things, endures all things,
It bears all things, believes all things,
but rejoices with the truth.
It does not rejoice over unrighteousness,
It does not keep account of the injury.
It does not become provoked,
does not look for its own interests,
does not behave indecently,
It does not brag, does not get puffed up,
"Love is patient and kind. Love is not jealous.

Happy Anniversary!
